REQUEST TO PREPARE AND FILE PATENT APPLICATION

Re: Ericsson Docket No. P12553-US1-SC
Title: "Method to Improve Performance of a GPS-Equipped Radiotelephone by Peer Aiding"
Inventor(s): L. Scott Bloebaum and Havish Koorapaty

Dear George:

Please prepare and file a patent application in the U.S. Patent and Trademark Office on the above-referenced invention. A copy of the invention disclosure and related art are enclosed. Any potential statutory bar dates should be identified in these documents; however, any potential bars should also be verified with the inventors.

This case is to be administered according to Ericsson's fixed fee billing procedure, as established by Ericsson letter of December 16, 1999.

All rights in this application are to be assigned to Ericsson Inc., a Delaware Corporation, having registered offices at 7001 Development Drive, P.O. Box 13969, Research Triangle Park, North Carolina.

Please contact the inventors directly for any technical assistance in preparing the application – the inventors' contact information is listed on the first page of the disclosure. A first draft of the application should be in the inventors' hands within three (3) months of the date of this letter. Please advise me if there is any problem with this schedule. If you wish to discuss any matter regarding this application, please do not hesitate to contact me at (919) 472-1924.

Very truly yours,

Kevin A. Sembrat
Intellectual Property Counsel
